SPACE-SAVING FLAT HEAD MOP AND BUCKET SET INSTRUCTION MANUAL

Please read all of the instructions carefully and retain for future reference.

CAUTION

Do not fill the bucket with hot or boiling water.

Use only on cool surfaces.

Keep out of the reach of children.

Not suitable for use with bleach.

GETTING STARTED

Remove all packaging from the components.

Separate the mop head from the bucket and all poles.

Check that the mop bucket is in operational condition before use.

Fill the bucket approx. three quarters full with a solution of water and detergent or disinfectant.

CARE AND MAINTENANCE

Drain any remaining water from the bucket and clean it after every use.

Wipe the main body with a soft, damp cloth and allow to dry thoroughly.

The microfibre mop head is machine washable on a low heat setting. Use a mild detergent and lay it flat to dry.

Never use bleach or fabric softener when washing the mop head pad.

Store in a cool, dry place.

MOP HEAD CARE LABEL INSTRUCTIONS

100 % Polyester.

Wash at 30 °C.

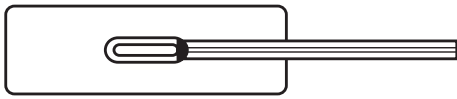

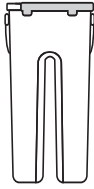

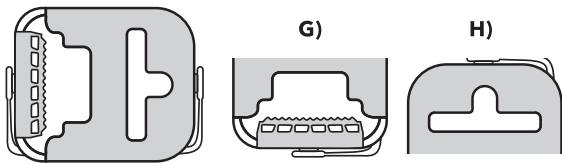

Do not bleach.

Do not tumble-dry.

Do not iron.

Do not dry-clean.

IN THE BOX

A) Steel pole with handle	
B) Detachable stainless steel pole (qty. 3)	
C) Flat mop head	
D) Microfibre mop head	
E) Bucket	
F) Hands-free wringing system	

DIRECTIONS FOR USE

STEP 1: Screw the steel pole with handle (A) into the end of one of the stainless steel poles (1 x B).

STEP 2: Position one of the stainless steel poles (B) inside the other and twist in a clockwise direction until secure.

STEP 3: Push the free end of the combined stainless steel poles into the top of the flat mop head (C) until the latch clicks into place.

STEP 4: Attach the microfibre mop head (D) onto the flat mop head (C) using the built-in fastener strips.

STEP 5: Plunge the mop head into the bucket (G) to wet and clean the pad. Use the wringer side (H) of the bucket (E) to remove excess water.

STEP 6: To clean the mop head, detach the microfibre mop head from the flat mop head and follow the instructions in the section on the care label.
